

Radnor Soccer Club

Excellence. Integrity. Sportsmanship. Opportunity.

Club Leadership & Coaches

Diana Anders

Diana Anders joined the Radnor Community in 2001 when she attended Cabrini University to obtain her Bachelors of Science in Education. While attending Cabrini, she was a two-sport collegiate athlete for the Lady Cavs in soccer and softball. Within her soccer career, she helped her team to a division title and advanced to regionals. During her softball career, Diana helped lead the Cabrini Cavaliers to three division titles, three appearances in the regional tournament. She was named First Team All-Conference and First Team All Regional.

Diana's passion for soccer led her to acquire her USSF licence, coach travel and high school soccer for the past fifteen years. Currently, she is the assistant varsity coach for Radnor Girls Soccer at the High School and currently oversees our 2011 Girls Program. Diana ensures the development of a positive learning environment in which all players can achieve success and find confidence on and off of the pitch.
