

# U13 - U19 Collaboration

After successfully collaborating for the past year in the Boys Club vs Club Division of the Mid-Atlantic USYS Conference, FC Europa and Lower Merion SC are pleased to announce a more formal and long-term partnership for our top boys AND girls teams at the U13-U19 age groups. We are also excited to announce that Radnor SC will be joining this partnership. FC Europa, Lower Merion SC, and Radnor SC will retain their current identities at the intramural, recreational, camps and supplemental training programs, and U8 through U12 travel teams. Each club will also have their own independent travel teams at the U13-U19 age groups.

U13-U19 Teams (one to two per age group) comprising FC Europa, Lower Merion SC, Radnor SC and outside players will train and play games at our current local turf fields used by the three clubs. Tryouts will be held at these locations throughout mid-April and early May. We will announce which leagues the boys and girls will be competing in as soon as we can. We are under consideration by a couple of leagues and we want to choose a league for our boys and girls teams that is in the best interest of our players in terms of level, travel, and expense. Details will be coming soon on league play, name, and organization structure for this partnership as well as dates and location of tryouts.
